Joint Action Committee for Political Affairs (JACPAC) is a national political action committee (PAC). Our mission is to elect federal candidates who are committed to a strong U.S.-Israel relationship, combating antisemitism, women's reproductive rights, gun violence prevention, separation of religion and state, and other issues of concern to the Jewish community. JACPAC maintains an ongoing dialogue with those it helps elect. In addition, JACPAC serves as a political resource for the Jewish community, furnishing information about candidates, elections, and issues. Click here for detailed information about membership and candidate support.
