

This was an historic election. A record number of people voted and became politically active for the first time. Thanks to your support, we elected Joe Biden and helped to re-elect many JAC candidates who will work side-by-side with the Biden administration towards our common goals.

Although not all the election results were what we hoped for, together we took an important step to save our democracy.

Despite the pandemic, JAC stayed very busy during this election season. Our members sent out more than 40,000 postcards, phoned and texted voters in key battleground races. JAC was able to offer you, via Zoom, meetings with candidates and leading policy experts.

Through your generosity, JAC was involved in more than 110 races across the country. We are sending two new Senators to Washington. Hopefully, after the special runoff election in Georgia on January 5th, we will be sending two more members — Jon Ossoff and Rev. Raphael Warnock — to the Senate as well.

These are must-win races if we ever hope to remove the gavel from Mitch McConnell's hands and implement Joe Biden's agenda. We hope we can count on you to step up one more time. These past four years have proven that elections have consequences.

You can donate to [Jon's campaign](#) or [Rev. Warnock's campaign](#). [Click here](#) to find out other ways to get involved and turn Georgia blue.

Many races this year were decided by razor thin margins, proving clearly that every vote does count. As of press time, there were still several uncalled Congressional races.

It is still important to remain politically active, especially when JAC's issues are under attack. Democracy is participatory. Your elected officials need to hear from you even during these unprecedented times. Attend a JAC Zoom meeting with them or call their offices. Follow us on [Facebook](#) and [Instagram](#). Stay involved with JAC. [Renew your membership](#) and encourage your friends and family to join as well.

We still have important work to do and there are many serious issues facing our country. Remember, Elections Matter.

Again, thank you for your efforts and all that you did during the 2020 election.

We look forward to your support in the coming year.

Sincerely,

Marcia Balonick

JOINT ACTION COMMITTEE FOR POLITICAL AFFAIRS (JACPAC) was founded more than 30 years ago as the “pro-Israel PAC with a domestic conscience.” JACPAC helps elect candidates to the U.S. Congress who believe in a strong U.S.-Israel relationship, reproductive rights, and the separation of religion and state. Recent events have prompted JAC to incorporate other areas of importance to the Jewish community, including gun violence prevention and climate change. In addition to providing financial support for U.S. Senate and House campaigns, JACPAC educates our membership with outreach events designed to inform and activate their participation in the political process. This participation reasserts the importance of maintaining the special relationship between the United States and Israel and also upholding a social agenda in keeping with the core values of American Jewry.
