

**T**hrough your generous support, JAC was involved in more than 110 races across the country. **Y**OU helped to send 85 candidates to Congress. This is a diverse group of men and women who are committed to breaking the gridlock and working across the aisle to help solve some of our country's most pressing problems.

There are many challenges ahead such as health care, the budget crisis, immigration reform, prescription drug costs, climate change, and voting rights. Our courts will still remain a critical issue as the President continues to appoint extreme justices.

With the Democrats in control of the House, there will finally be a check on President Trump and his attempts to circumvent the Constitution.

It is still important to remain politically active, especially when JAC's issues are under attack. Democracy is participatory. Your elected officials need to hear from you. Attend a town hall meeting, visit them in Washington, or call their offices. Stay involved with JAC.

Ben McAdams, who turned a red Utah seat blue, won by 700 votes. There were 133 state and federal races decided by less than 100 votes. Every vote does count and makes a difference.

JACPAC is already planning for the 2020 election. Your [contribution to JACPAC](#) will help us ensure another successful election cycle.

Please [renew your membership](#) and encourage your friends and family to join as well. There are many ways to stay politically active. Attend a JAC event. Make calls to Congress. Share our information. Visit our Facebook page. [Support JAC candidates](#). And remember, Elections Matter.

Again, thank you for your efforts and all that you did to contribute to our successful election. We look forward to your support as we move towards 2020.

Sincerely,

A handwritten signature in black ink that reads 'Marica Balonick'.

Marica Balonick  
JACPAC Executive Director

***As always, thank you for your support.***

JOINT ACTION COMMITTEE FOR POLITICAL AFFAIRS (JACPAC) was founded more than 30 years ago as the “pro-Israel PAC with a domestic conscience.” JACPAC helps elect candidates to the U.S. Congress who believe in a strong U.S.-Israel relationship, reproductive rights, and the separation of religion and state. Recent events have prompted JAC to incorporate other areas of importance to the Jewish community, including gun violence prevention and climate change. In addition to providing financial support for U.S. Senate and House campaigns, JACPAC educates our membership with outreach events designed to inform and activate their participation in the political process. This participation reasserts the importance of maintaining the special relationship between the United States and Israel and also upholding a social agenda in keeping with the core values of American Jewry.
